Dear Mr. Gahm,

Thank you for being a part of our Kearney Catholic High School Post Prom party on March 31, 2008 and providing a very entertaining and appropriate hypnotist show.

We would definitely recommend Terry for any prom event. We appreciated his great job with keeping with our 'appropriate' guidelines; when a few of the participants started to stray out of our guidelines, he seamlessly steered them in another direction. The students laughed so hard at the things Mr. Gahm had their peers do and at the same time amused and amazed them with the power of the human mind. The show was most entertaining and enjoyed by everyone.

We appreciated the fact that he took the extra time to exchange cell phone numbers before the event in case we needed to contact him at anytime during the course of the evening/morning. Especially since he performed at 2:00 a.m. it was nice having a contact number if needed.

Sincerely

Jo Baldwin
