To Whom It May Concern:

On the morning of March 19, 2007, Terry Gahm, presented a very entertaining hypnotist show for Kearney Catholic High School's Post Prom. For over an hour the Big Apple Fun Center was rolling with laughter. Not only did the kids enjoy his show but the adults had a great time as well.

Mr. Gahm not only had a great performance for the kids, but also portrayed his business professionalism by making his show very suitable for a group of high school students. If your school needs a great hypnotist for post prom, don't hesitate to hire Mr. Gahm, you will definitely get your monies worth. He would be highly recommended by the Kearney Catholic Post Prom Committee.

Sincerely,

A handwritten signature in cursive script that reads "Shurey Chramosta".
