Dear Terry,

This letter is overdue, my apologies. When our board attended the Iowa Association of Fairs Convention in Des Moines in December 2003, we specifically wanted a hypnotist. We asked Subby Anzaldo if he could get us one. Subby assured us you were the best, and we found out he was right on target!! Your presentation was a measure of excellence as a truly professional stage hypnotist. The crowd loved it, and you kept them on the edge of their seats. We would recommend you at the highest level to anyone wanting a professional stage hypnotist.

Kind & Best Regards,

Rod Ogren

P.S. Thanks for sending the DVD.
