Terry,

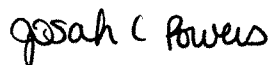

Thank you so for agreeing to perform during the "Support Our Troops" fundraiser this past April at Nebraska Methodist College. The audience and participants fully enjoyed the experience, and people are already asking about future performances! When I asked our students what they thought about the night they said:

It was the most fun I've had in a long time. I don't think I've ever laughed so hard in my entire life. Terry put on a great show that every member of the audience enjoyed!

Terry did a wonderful job. His show was very humorous - I didn't stop laughing. What made his show so good was that he was so personal. Terry called everyone by name. In addition, he mentioned everyone who he had talked to during his introduction. I loved his jokes and his war experiences he shared with us before the show. It was a great night!

I think these comments speak for themselves and emphasize just how pleased we were with the overall performance. Thanks again, and we hope to work with you for future events.

Sincerely,
